Congratulations to...

Scott Poggi of **Retlif Testing Laboratories**. In his new position as Director Of Operations for the global independent EMC and Environmental testing leader. Mr. Poggi (Setauket, New York) will oversee the day-to-day operations of all Retlif branches in Ronkonkoma and Plainview, New York, as well as the Harleysville, Pennsylvania, Charlotte, North Carolina and Goffstown, New Hampshire laboratories.

Congratulations to the **NSWCA** and **Commissioners Karl Schweitzer, Thomas Hand and Vinnie Abbatiello** for the expert testimony given at the Long Island Commission for Aquifer Protection (LICAP) public hearing on October 17, 2016.

All serious issues confronting the region, including salt water intrusion, nitrates, toxic plumes, and added bureaucracy, were addressed on behalf of the 21 NSWCA member districts and the 640,000 people they represent. Keep up the good work!
